

- What:** A full afternoon training course on Technical Analysis - with a specific lean towards Energy markets
- Where:** City of London (Venue TBC)
- When:** Choose from 3 dates: Friday May 11th, Thursday July 12th 2018, Thursday September 6th 2018 - 12pm to 6pm
- How much:** £795 (+VAT) per person, or
£695 (+VAT) per person for existing Futurestechs clients, or
£1095 (+VAT) per person with an additional 3 months of “ongoing support”; our Daily Analysis plus analyst access.
- What will be covered?** Support and Resistance, Trendlines, Chart Patterns, Fibonacci, Candlestick Charts, Moving Averages, Bollinger Bands, Momentum Studies, and an introduction to Market Profile.
We will end the day with an interactive session with live charts to help attendees to understand how these methodologies can be effectively applied to Energy markets.

All attendees will also receive a signed copy of Clive’s book; “Candlestick Charts”.

Coffee/refreshments will be provided, plus a few “wind down” drinks in the local boozier afterwards!

Clive Lambert has been teaching traders about Technical Analysis for over 20 years now. He is widely regarded as one of the best Technical Analysis trainers you will find. As well as a practical approach Clive is also able to share how to apply the charts to specific markets in the Energy complex.

Places will be limited so book now!
